

Prader-Willi Syndrome Clinics Funding Application Form Year 2024

Number of Awards: One
Grant Mechanism: Six months; up to \$6000
Funding Period: July 1, 2024 – December 31, 2024

Established by: This fund was established by the PWCF Board of Directors to support the development and functioning of multi-disciplinary clinics that serve individuals with Prader-Willi syndrome in the state of California.

Open to: Multi-disciplinary clinics that provide services to individuals with PWS in the state of California.

Criteria: Clinic has a multi-disciplinary team including at least three or more of the following specialists: social worker, registered dietitian, behavioral specialist, physical therapist, a physician with expertise in endocrinology and/or genetics.

Application Procedure:

- 1) Complete the grant application (answering all questions and signing the application)
- 2) Provide a Clinic Statement (2-page double-space 12 pt. font maximum) describing clinic goals and impact on quality of life of individuals with PWS and how this grant will help maintain or enhance clinic services.
- 3) Provide a 2-page curriculum vitae or resume of the clinic director or grant applicant documenting current and/or past involvement in serving the PWS community.
- 4) Provided an itemized budget of up to \$5,000/6 months and a budget justification. Include a description of other sources of funding for the clinic (in-kind or sponsored) to document feasibility of the clinic functioning during the proposed period.

Application Timeline:

June 11, 2024: Full application due by 5pm PST info@pwcf.org.
July 1, 2024: Anticipated funding start date.
